Standard Elementary PE Supplies

PVUSD is committed to providing our students and staff with the best learning equipment as possible. In an effort to save money and provide schools with age appropriate, standards based Physical Education equipment, the Purchasing Department is pleased to announce that you will now be able to order high quality P.E. supplies much cheaper than what is listed in the vendor catalogues.

Please distribute the attached list of Standard Elementary P.E. Supplies and Worksheet to your teachers or P.E. Department. The Worksheet can be used to help the teachers request the items from the Office Manager.

The items come for the Stores Warehouse, as well as Sportime, Gopher and S&S Worldwide. Please do a Stores Requisition for the Stores supplies, and regular Requisitions in Fin2000 for the other vendors.

This is still a bit of a work in progress and if you have any specific questions, please feel free to contact:
