Filemaker Quick Guide - Frequently Asked Questions

Is the media included when I place my license order?

Customers will no longer receive the media. They will receive their licenses via email.

From there, they can download the program.

When will I receive my merchandise?

Media ships within 24-72 hours, subject to availability. The order is shipped directly to the end user.

Is maintenance or concurrency available?

No. Maintenance is not available for MVLA customers.

Is a trial version of the Filemaker program available as a download?

Yes. Please visit http://www.filemaker.com/products/try_filemaker.html.

Do I get home use rights and is the license backwards compatible?

Yes. On home use rights, you must own the older media.

What is the FileMaker Server 8.5 Option Pack?

The FileMaker Server 8.5 Option Pack

Symantec Norton AntiVirus

Symantec Norton Antivirus is required for all District PC computers (not Macs).

Symantec Antivirus, 4 year licensing	1	Technology	22.47
--------------------------------------	---	------------	-------

The Technology Department purchases licenses for the whole District to receive a volume discount. The cost will be charged to each new PC computer purchased. The charge will be made by journal entry from the account number the original purchase was made. If you prefer a different account number to be charged, please email the account and PO number to the Purchasing Department.

Other District Standard Licenses

The Technology Department creates annual Requisitions to receive volume discount on the following products. Sites will be contacted annually by the Technology Department with product and account information.
