**CD, Cassette Players and Listening Centers**

<b>1776 Spirit</b>	<b>Small Boombox</b>	<b>\$60.00</b>
	Califone's 1776 Spirit Stereo CD Player is small enough to easily carry and store, yet powerful enough to use in your classroom. The Dynamic Bass Boost System (DBBS) and 4-way stereo speakers produce good sound quality that allows for students to listen and learn. Teachers can record from the CD or AM/FM radio directly to the auto-stop cassette deck. Play back for a group or for individual learning with the built-in headphone jack. 1 yr Warranty	MFG Price: \$102.00
<b>1776 Spirit PLC</b>	<b>Small Boombox Listening Center</b>	<b>\$167.62</b>
	Use the versatile Califone 1776PLC Listening Center for speech classes, music analysis and more. Four sets of high-quality headphones can be switched from monaural to stereo to best fit any listening activity. Adjust the volume for each student or for the entire group with the four-position stereo jackbox. The cassette/CD player has four-way speakers and is ideal for up to 40 people. Store your listening center equipment safely in the foam-lined carrying case. 1 yr Warranty	MFG Price: \$245.00
<b>CALCD102</b>	<b>Walkman Style Personal CD player</b>	<b>\$44.38</b>
	Kids can learn at their own pace with Califone's Personal CD Player. Easy-to-use controls let students start, stop, skip ahead and playback tracks to get the most out of phonics and music lessons. Anti-shock protection keeps tunes from skipping when the player is bumped or knocked. Plug it into a nearby outlet, use the included batteries or opt for rechargeable batteries (not included). Comes with 3060AVS Stereo Headphones. 1 yr Warranty	MFG Price: \$47.00
<b>CALCD102 PCL</b>	<b>Walkman Style CD player Listening Center (4)</b>	<b>\$71.76</b>

**Headphones and Headsets**

<b>3068AV</b>	<b>HEADPHONE, SWITCHABLE MONO/STEREO - no mic</b>	<b>\$6.29</b>
	Califone 3068AV delivers performance at an economical price for 1:1 instruction in listening centers and library uses. One primary advantage of the 3068 is its ability to switch between typical monaural functions such as in English Language Learning / English Language Development, language labs and speech pathology applications. The stereo mode is often used for computer workstations and music appreciation classes. Switchable format works in stereo and mono applications and with all computer formats. 1 yr Warranty	MFG Price: \$14.00
<b>CALCA-2</b>	<b>HEADPHONE, INDIVIDUAL STORAGE - no mic</b>	<b>\$3.40</b>
	Califone CA2 Individual Storage Headphone and Bag minimizes the spread of communicable diseases from using shared items. Moisture-resistant storage bag with labeling area to personalize with student's name. Stereo sound on a flexible, adjustable headband with durable ABS plastic ear-cups. 90 day Warranty	MFG Price: \$5.25
<b>3064AV or USB</b>	<b>HEADSET, MULTIMEDIA STEREO (3.5mm plug)</b>	<b>\$9.21</b>
	<b>3064-AV</b> with mic and 235mm plug. PC/MAC compatible (not old iMac) . <b>BEST VALUE</b> . This lightweight USB-equipped headset allows faster access to media files and streaming audio files. Enhanced speed makes it perfect for language learning, adult literacy groups, multimedia applications as well as general listening and call center uses. For music theory/appreciation classes and ear training. Ambient noise reducing ABS plastic ear cups with adjustable comfort-fit headband. Replaceable over-the-ear fitting leatherette cushions. 90 day Warranty	MFG Price: \$15.00
	<b>HEADSET, MULTIMEDIA STEREO (USB plug)</b>	<b>\$24.34</b>
	<b>3064-USB</b> with mic and USB plug. PC/MAC compatible. Same specs as the 3064AV, only this one has a usb plug for use with iMacs and other computers. 90 day Warranty	MFG Price: \$39.00
<b>3066AV or USB</b>	<b>HEADSET, Heavy Duty MULTIMEDIA (3.5mm plug)</b>	<b>\$23.94</b>
	<b>3066AV</b> with mic and 3.5mm plug. PC/MAC compatible (not old iMac). Our most rugged headset, the Califone 3066 is designed for language learning in today's classrooms. This compact, adjustable headset is ideal for high speed internet listening, language learning and tutorials in computer labs and other multimedia applications as well as a web phone. USB plug eliminates need for a sound card. Durable ABS plastic ear-cups. In-line volume control. Adjustable, padded headband with replaceable foam-filled ear cushions. 1 yr Warranty	MFG Price: \$42.00
	<b>HEADSET, Heavy Duty MULTIMEDIA (USB plug)</b>	<b>\$36.95</b>
	<b>3066-USB</b> with mic and USB plug. PC/MAC compatible. Same as the 3066Av only with a USB plug for iMac (as well as other computers). 1 yr Warranty	MFG Price: \$53.00

**Document Camera Projector**

**300AFP**

**Document Camera AVerVision300AFP(S)**

**\$559.00**

auto focus  
3.2MP document camera  
with mechanical arm

The AVerVision300AF+ features an incomparably clear 3.2 mega pixel camera sensor, video is sharp and precise. The fast auto focus capabilities allow teachers to instantly focus on text, pictures or objects without time consuming focal adjustments, even when using the digital or AVERZOOM features. The high 24 fps frame rate projects video of moving objects significantly reducing blur or distortion. Annotation features allow teachers to easily add notes, create drawings, highlight important details, or even erase aspects of the live projected images directly from a PC or MAC. With the additional audio recording feature included in the new AVerVision software, teachers can now record video with narration of a live dissection or sculpting a clay pot. Carrying case. 5 yr Warranty. CalSave Pricing

**CP300**

**Document Camera AVerVision CP300 (Gooseneck)**

Picture in picture and split screen for viewing live and captured images simultaneously. Total 16 times zoom and pan comprised of 2 times AVerZoom and 8 times Digital zoom. Built-in LED Lights with laser positioning. A full function remote control with laser pointer.. Image capture and video and audio recording, annotation can also be saved directly to a PC or MAC with the included software, and widescreen WXGA resolution at 1280 x 720 is also supported. Remote viewing and control which allows multiple different locations to participate with the host presentation. Carrying case. 5 yr Warranty. CalSave Pricing

**Overhead Projectors and Accessories**

**#MMM1780(S)**

**OVERHEAD PROJECTOR (not LCD), limited availability**

**\$165.00**

The 3M Overhead Projector Model 1780 has a winning combination of a lamp changer along with a closed doublet head. The lamp changer will keep your class going if the bulb goes out and the closed doublet head provides the sharpness you need in your projected image. This projector also doubles the life of the ENX Lamp and provides 2,200 lumens of light so that you can keep the room lights on. This is a standard overhead projector, not an LCD. Includes: 2200 lumens duplex lens, bulb changer and one ENX lamp. Uses ENX or ENX-5 replacement lamps (ENX-5 lamps last longer than regular ENX lamps)

**Bulbs available from Stores Catalog**
