## **TITLE 1 PROGRAMS**

Mandated

### Policy

Title I programs shall provide eligible students with supplementary services designed to reinforce the core curriculum and improve achievement in basic and advanced skills. The district shall provide services in reading, language arts and mathematics, on the basis of individual student needs identified and annually assessed with objective educational criteria.

In accordance with law, the district shall file with the state a plan describing the assessments, strategies and services the district will use to achieve student educational improvement. (20 U.S.C. 6312)

Any eligible school that desires to operate a schoolwide program shall develop a comprehensive plan for reforming the total instructional program in the school. (20 U.S.C. 6314)

The Superintendent or designee shall annually review the progress of each participating school in enabling its students to meet state and district standards of student performance. The results of this review shall be disseminated to staff, parents/guardians, students and the community so that the schools can continually refine instruction to help students meet these standards. (20 U.S.C. 6317)

### **Parental Involvement**

The parents/guardians of students enrolled in Title I programs shall be involved in planning and implementing these programs in a systematic and informed fashion. They shall have regular opportunities to make recommendations on the educational needs of their children and on ways in which they can help their children benefit from the programs.

The Superintendent or designee shall develop procedures that help participating schools to plan, implement and expand effective parental involvement. At each of these schools, a written policy shall be developed with the participation of parents/guardians and distributed to them, describing how program requirements specified in law will be carried out. The policy shall be updated periodically to meet the changing needs of parents/guardians and the school. (20 U.S.C. 6319)

In consultation with parents/guardians, the Superintendent or designee shall annually assess the effectiveness of the district's Title I parental involvement policy and programs and revise them if necessary.

### **Comparability in Instruction**

The Superintendent or designee shall establish procedures which ensure that the district provides all district schools with the same level of base funding, per student, for staff services, curriculum materials and instructional supplies. At the beginning of each school year, the ratio of students to teachers and auxiliary staff shall vary as little as possible from school to school. (Federal law (20 U.S.C. 6322)
