PVUSD Unveils Comprehensive Plan to Improve Student Achievement

July 15, 2002

“The Administration of the Pajaro Valley Unified School District (PVUSD) is pleased to unveil the District’s comprehensive plan to improve student achievement,” announced Interim Superintendent Terry McHenry. A press conference will be held at ***noon on Wednesday, July 29 in the District Office Boardroom, 292 Green Valley Road.***

Staff will present the results of an extensive evaluation of the current instructional program and outline the comprehensive improvement plan that has been developed. The plan includes a standards-based curriculum, extensive staff development for both teachers and administrators, and a process for interim assessments of student achievement at regular intervals throughout the school year. “We want to strategically focus all available resources towards meeting our student achievement goals,” continued McHenry. “This plan outlines an aggressive process for focusing our efforts in the most effective manner possible. We are excited about implementing the plan this school year.”
