

*You are invited to have a cup of coffee/tea with Casey O'Brien, Principal Aptos High School and
Cathy Stefanki, Assistant Superintendent North Zone*

Dear Parents and Community Members,

While I've had the pleasure to meet many of you already, there are many of you that I have yet to meet. You also may not have had the pleasure to meet our new North Zone Assistant Superintendent, Cathy Stefanki. I know that many of you, like Cathy and I, have very busy and hectic lives that keep you running from one thing to another. I believe that it may be easier for some parents to drop by and meet us somewhere in town rather than finding us on campus. This fall I went into the community to meet you and had several parents drop to by to talk or meet me which was very nice. With that in mind, we have decided to offer a few more opportunities where we will go into the community to meet you. I invite you to meet and have a cup of coffee/tea with Cathy and me sans agenda and intentionally informal but this time around we plan to have the current budget crisis in the state and our district as the main topic of discussion. You can simply stop by to say hello, you can express any concerns that you may have and we are interested in hearing your thoughts about the budget crisis. We are always interested in hearing what parents' hopes and dreams are for their students and are seeking ways in which Aptos High School and our other North Zone schools can assist in making those hopes and dreams become reality.

If you are unable to meet during these times please seek me out on campus or make an appointment by calling my Office Manager, Vicki Silva at 688-6565 ex.235 or Cathy's Administrative Assistant, Justina Vega at 786-2100 ex. 2540.
