2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

# PVUSD

## General Information about the School Accountability Report Card (SARC)

### **SARC Overview**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

### The California School Dashboard (Dashboard)

https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### 2022-23 School Overview

PVUSD Virtual Academy serves K-12 district students entirely online and is a voluntary educational program for students. Despite the school being online, it is equitably maintained as any other District school. While it is an alternative school of choice, it does not provide an alternative curriculum; the curriculum aligns with California state content standards and Common Core State Standards. Students participate in district and state testing. The curriculum is purchased from FlexPoint and eDynamic Learning. FlexPoint and eDynamic Learning curriculum both meet A-G requirements and are accredited by the UC Doorways and NCAA. The curriculum offers rigorous, differentiated instruction and a variety of assessments. It provides Honors and College Board® Advanced Placement courses as well as a variety of CTE electives. PVUSD Virtual Academy earned an initial WASC accreditation from 2021 to June 2024.

PVUSD Virtual Academy students take their education beyond classroom walls with engaging and interactive content available 24/7 from anywhere. The students and families are supported by a Principal, Counselor, Special Education Case Manager/Resource Specialist, Instructional Aide, Psychologist, School Nurse, Administrative Assistant, Site Technician Coordinator, and PVUSD certified teachers. PVUSD Virtual Academy certified teachers serve as Supervising Teachers and meet with students once a week for 30-45 minutes. Each student will work with his/her Supervising Teacher and Learning Coach (parent/guardian/adult family member/tutor/babysitter, etc.), to create a Personalized Learning Plan (PLP). The PLP includes academic goal setting for weekly course lessons and assessments to complete, instructional work to complete each week, and any supplemental instructional materials needed. The schedule is flexible and allows students to accelerate in courses or enroll in credit recovery. In addition to the required weekly meeting, students may participate in synchronous instruction daily at the K-3 grade level and Live Interaction once a week at the 4-8 grade level. Students may also participation in virtual school activities such as monthly school activities, Leadership Club, virtual field trips, book club, coding club, El Sistema Music Program, etc.

### MISSION STATEMENT:

The PVUSD Virtual Academy provides a high-quality educational alternative for local families wishing to have an online independent study experience with support from PVUSD certified teachers and staff who provide one-on-one instruction and coaching. Students will take their education beyond classroom walls with online elementary, middle, and high school courses. With engaging and interactive content available 24/7 from anywhere, our curriculum encourages students to master key concepts as they progress through grade level content.

### 2022-23 School Overview

VISION: We will develop self-motivated learners through collaborative and fluid learning environments which leads to success in life including college and career.

### SCHOOLWIDE LEARNER OUTCOMES:

Academic Achievers Who Will:

Develop self-directed learner skills.

Exhibit curiosity, creativity, and pursue their unique interests.

Honor personal and academic commitments.

Think critically and provide evidence to support a position.

Meet or exceed proficiency of the CA State Common Core Standards.

### 21st Century Learners Who Will:

Develop technology skills that enhance learning and college/career readiness.

Exhibit the ability to manage, analyze and communicate data.

Work collaboratively to solve problems with respect and integrity.

Communicate clearly, both written and orally.

Examine issues from different perspectives and multiple sources.

### Global Citizens Who Will:

Actively contribute to society at a local, state and national level.

Communicate an awareness of diverse cultures.

Demonstrate concern about larger world issues and propose solutions.

### **About this School**

### 2021-22 Student Enrollment by Grade Level

| Grade Level      | Number of Students |
|------------------|--------------------|
| Kindergarten     | 5                  |
| Grade 1          | 6                  |
| Grade 2          | 6                  |
| Grade 3          | 13                 |
| Grade 4          | 4                  |
| Grade 5          | 6                  |
| Grade 6          | 7                  |
| Grade 7          | 12                 |
| Grade 8          | 21                 |
| Grade 9          | 16                 |
| Grade 10         | 12                 |
| Grade 11         | 33                 |
| Grade 12         | 19                 |
| Total Enrollment | 160                |

| 2021-22 Student Enrollment by Student Group |                             |  |  |
|---|-----------------------------|--|--|
| Student Group                               | Percent of Total Enrollment |  |  |

| A. Conditions of Learning | State Priority: Basic   |
|---------------------------|---|
|                           | The SARC provides the following information relevant to the State priority: Basic (Priority 1):   |
|                           | <ul> <li>Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;</li> <li>Pupils have access to standards-aligned instructional materials; and</li> <li>School facilities are maintained in good repair</li> </ul> |

### 2020-21 Teacher Preparation and Placement

| Authorization/Assignment  | School<br>Number | School<br>Percent | District<br>Number | District<br>Percent | State<br>Number | State<br>Percent |
|---|------------------|-------------------|--------------------|---------------------|-----------------|------------------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | 15               | 100               |                    |                     |                 |                  |
| Intern Credential Holders Properly<br>Assigned  |                  |                   |                    |                     |                 |                  |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA)                      |                  |                   |                    |                     |                 |                  |
| Credentialed Teachers Assigned Out-of-<br>Field ("out-of-field" under ESSA)                     |                  |                   |                    |                     |                 |                  |
| Unknown   |                  |                   |                    |                     |                 |                  |
| Total Teaching Positions  | 15               | 100               |                    |                     |                 |                  |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment  | School<br>Number | School<br>Percent | District<br>Number | District<br>Percent | State<br>Number | State<br>Percent |
|---|------------------|-------------------|--------------------|---------------------|-----------------|------------------|
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | 14               | 100               |                    |                     |                 |                  |
| Intern Credential Holders Properly<br>Assigned  |                  |                   |                    |                     |                 |                  |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA)                      |                  |                   |                    |                     |                 |                  |
| Credentialed Teachers Assigned Out-of-<br>Field ("out-of-field" under ESSA)                     |                  |                   |                    |                     |                 |                  |
| Unknown   |                  |                   |                    |                     |                 |                  |
| Total Teaching Positions  | 14               | 100               |                    |                     |                 |                  |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

| Authorization/Assignment                              | 2020-21 | 2021-22 |
|---|---------|---------|
| Permits and Waivers                                   | 0       | 0       |
| Misassignments  | 0       | 0       |
| Vacant Positions                                      | 0       | 0       |
| Total Teachers Without Credentials and Misassignments | 0       | 0       |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

### Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

| Indicator  | 2020-21 | 2021-22 |
|--|---------|---------|
| Credentialed Teachers Authorized on a Permit or Waiver | 0       | 0       |
| Local Assignment Options                               | 0       | 0       |
| Total Out-of-Field Teachers                            | 0       | 0       |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

### 2021-22 Class Assignments

| Indicator  | 2020-21 | 2021-22 |
|--|---------|---------|
| <b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)       | 0       | 0       |
| No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach) | 0       | 0       |

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <a href="https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp">https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp</a>.

### 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

### **B. Pupil Outcomes**

## **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### **Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- 4. College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

### **Options**

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### **CAASPP Test Results in Science for All Students**

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

For any 2020–21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

| Subject                               | School  | School  | District | District | State   | State   |
|---------------------------------------|---------|---------|----------|----------|---------|---------|
|                                       | 2020-21 | 2021-22 | 2020-21  | 2021-22  | 2020-21 | 2021-22 |
| Science (grades 5, 8 and high school) |         |         |          |          |         |         |

### 2021-22 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Student Group                                 | Total<br>Enrollment | Number<br>Tested | Percent<br>Tested | Percent<br>Not Tested | Percent<br>Met or<br>Exceeded |
|---|---------------------|------------------|-------------------|-----------------------|-------------------------------|
| All Students                                  |                     |                  |                   |                       |                               |

| Socioeconomically Disadvantaged               |                     |                  |                   |                       |                               |
| Students Receiving Migrant Education Services |                     |                  |                   |                       |                               |
| Students with Disabilities                    |                     |                  |                   |                       |                               |

### **2021-22 Career Technical Education Programs**

PVUSD in partnership with Cabrillo College developed Career Technical Education CTE pathways. These courses are accessible for all PVUSD high school students at all high schools. These courses are part of the Dual Enrollment program and high school students can earn college units in addition to high school credits. The school offers CTE course electives in VAPA, Technology including programming, coding, game design, etc., Career skills, Health and Science, and Business.

### 2021-22 Career Technical Education (CTE) Participation

| Measure   | CTE Program Participation |
|---|---------------------------|
| Number of Pupils Participating in CTE   |                           |
| Percent of Pupils that Complete a CTE Program and Earn a High School Diploma  |                           |
| Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education |                           |

### **Course Enrollment/Completion**

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

| UC/CSU Course Measure   | Percent |
|---|---------|
| 2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission          |         |
| 2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission |         |

### **B. Pupil Outcomes**

# **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1:<br>Aerobic Capacity | Component 2:<br>Abdominal<br>Strength and<br>Endurance | Component 3:<br>Trunk Extensor<br>and Strength and<br>Flexibility | Component 4:<br>Upper Body<br>Strength and<br>Endurance | Component 5:<br>Flexibility |
|-------------|----------------------------------|--|---|---|-----------------------------|
| Grade 5     | 76%                              | 76%  | 69%   | 62%   | 76%                         |
| Grade 7     | 54%                              | 54%  | 50%   | 50%   | 50%                         |
| Grade 9     | 56%                              | 56%  | 56%   | 56%   | 56%                         |

# C. Engagement

# State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

### 2022-23 Opportunities for Parental Involvement

The Principal and school staff work with students and families to gather ideas of school activities and events to promote the student learner outcomes and college and career readiness. These conversations take place at ELAC and School Site Council meetings, Semester Parent Advisory/Learning Coach Group, coffee chats with the Principal, weekly student and Supervising Teacher meetings, etc.

Parents/Guardians are encouraged to participate in ELAC, School Site Council and Parent Advisory/Learning Coach Group.

Current school activities encouraging family involvement include:

Beach Clean-Up

Movie Nights

El Sistema Music Program

Leadership Club

**Book Club** 

Coding Club

PJ's & Story Time

**Tutoring Groups** 

AP Exam Meetings

Credit Recovery Meetings

School Assemblies

College and Career & Financial Aid meetings for students and parents

Arts and Crafts Activities

STEAM kits for students and families

College and Career week lessons, virtual tours and workshops for K-12 students

### C. Engagement

# **State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

# **Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

| Indicator       | School<br>2019-20 | School<br>2021-22 | District<br>2019-20 | District<br>2021-22 | State<br>2019-20 | State<br>2020-21 | State<br>2021-22 |
|-----------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|------------------|
| Dropout Rate    |                   |                   |                     |                     |                  |                  |                  |
| Graduation Rate |                   |                   |                     |                     |                  |                  |                  |

# 2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at <a href="https://www.cde.ca.gov/ds/ad/acgrinfo.asp">www.cde.ca.gov/ds/ad/acgrinfo.asp</a>.

| Student Group                                 | Number of<br>Students in Cohort | Number of<br>Cohort Graduates | Cohort<br>Graduation Rate |
|---|---------------------------------|-------------------------------|---------------------------|
| All Students                                  |                                 |                               |                           |
| Female  |                                 |                               |                           |
| Male  |                                 |                               |                           |
| American Indian or Alaska Native              |                                 |                               |                           |
| Asian   |                                 |                               |                           |
| Black or African American                     |                                 |                               |                           |
| Filipino                                      |                                 |                               |                           |
| Hispanic or Latino                            |                                 |                               |                           |
| Native Hawaiian or Pacific Islander           |                                 |                               |                           |
| Two or More Races                             |                                 |                               |                           |
| White   |                                 |                               |                           |
| English Learners                              |                                 |                               |                           |
| Foster Youth                                  |                                 |                               |                           |
| Homeless                                      |                                 |                               |                           |
| Socioeconomically Disadvantaged               |                                 |                               |                           |
| Students Receiving Migrant Education Services |                                 |                               |                           |
| Students with Disabilities                    |                                 |                               |                           |

# C. Engagement

# **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### **Suspensions and Expulsions**

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

| Subject     | School<br>2019-20 | District<br>2019-20 | State<br>2019-20 |
|-------------|-------------------|---------------------|------------------|
| Suspensions |                   |                     |                  |
| Expulsions  |                   |                     |                  |

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject     | School<br>2020-21 | School<br>2021-22 | District<br>2020-21 | District<br>2021-22 | State<br>2020-21 | State<br>2021-22 |
|-------------|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| Suspensions |                   |                   |                     |                     |                  |                  |

### 2022-23 School Safety Plan

Our school's Safety Plan is reviewed by the School Safety Plan committee, ELAC, School Site Council and a Staff Meeting annually. Staff is kept up with emergency procedures and safety training. Portables have emergency packs and buckets filled with emergency supplies, such as potable water and first aid supplies. The Safety Plan Committee will meet in December 2022, the plan will be reviewed at ELAC, SSC and a Staff Meeting in January 2023 and board approved in February 2023.

Visitors must register at the front office and receive an identifying tag. All volunteers must be fingerprinted and TB tested through the district office.

For the staff on campus, we conduct regular fire, earthquake, and intruder/lockdown drills.

### D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### 2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Average **Number of Classes with** Number of Classes with **Number of Classes with Grade Level** Class Size 1-20 Students 21-32 Students 33+ Students

### 2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Average **Number of Classes with Number of Classes with** Number of Classes with **Grade Level** Class Size 1-20 Students 21-32 Students 33+ Students

### 2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multigrade level classes.

Average **Number of Classes with Number of Classes with Number of Classes with Grade Level** Class Size 1-20 Students 21-32 Students 33+ Students

### 2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average<br>Class<br>Size | Number of Classes with<br>1-22 Students | Number of Classes with 23-32 Students | Number of Classes with 33+ Students |
|-----------------------|--------------------------|---|---------------------------------------|-------------------------------------|
| English Language Arts |                          |   |                                       |                                     |
| Mathematics           |                          |   |                                       |                                     |

### 2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                        | Ratio |
|------------------------------|-------|
| Pupils to Academic Counselor |       |

# 2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title   | Number of FTE Assigned to School |
|---|----------------------------------|
| Counselor (Academic, Social/Behavioral or Career Development) |                                  |
| Library Media Teacher (Librarian)                             |                                  |
| Library Media Services Staff (Paraprofessional)               |                                  |
| Psychologist  |                                  |
| Social Worker   |                                  |
| Nurse   |                                  |
| Speech/Language/Hearing Specialist                            |                                  |
| Resource Specialist (non-teaching)                            |                                  |
| Other   |                                  |

## 2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level   | Total<br>Expenditures<br>Per Pupil | Expenditures<br>Per Pupil<br>(Restricted) | Expenditures<br>Per Pupil<br>(Unrestricted) | Average<br>Teacher<br>Salary |
|---|------------------------------------|---|---|------------------------------|

# 2021-22 Types of Services Funded

### 2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <a href="http://www.cde.ca.gov/ds/fd/cs/">http://www.cde.ca.gov/ds/fd/cs/</a>.

| Category                                      | District<br>Amount | State Average<br>for Districts<br>in Same Category |
|---|--------------------|--|
| Beginning Teacher Salary                      |                    |  |
| Mid-Range Teacher Salary                      |                    |  |
| Highest Teacher Salary                        |                    |  |
| Average Principal Salary (Elementary)         |                    |  |
| Average Principal Salary (Middle)             |                    |  |
| Average Principal Salary (High)               |                    |  |
| Superintendent Salary                         |                    |  |
| Percent of Budget for Teacher Salaries        |                    |  |
| Percent of Budget for Administrative Salaries |                    |  |

### 2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

**Percent of Students in AP Courses** 

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

| Subject  | Number of AP Courses Offered |
|--|------------------------------|
| Computer Science   |                              |
| English  | 2                            |
| Fine and Performing Arts   |                              |
| Foreign Language   |                              |
| Mathematics  | 1                            |
| Science  | 1                            |
| Social Science   | 4                            |
| Total AP Courses Offered Where there are student course enrollments of at least one student. | 8                            |

### **Professional Development**

Teachers have 3 school days dedicated to Professional Development. PVUSD Virtual Academy is an Independent Study online educational program which allows for the school staff to create and determine its' own professional development agenda based on teacher and student need. Professional Development topics have included Best Practices Collaboration for Supervising Teaching, Instructional Strategies to support ELD students, Increasing student and parent engagement, SEL/Mental Health, Restorative Start, Sown to Grow, Schoology, Turnitin.com, Lexia English, eDynamic Learning, PLP's, etc. At each PD day, teachers have the opportunity to analyze data, discuss and create action plans for student achievement.

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject   |   |   | 2022-23 |
|---|---|---|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 3 | 3 | 3       |
