

Watsonville Charter School of the Arts

2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Watsonville Charter School of the Arts
Street	75 Whiting Road
City, State, Zip	Watsonville, CA 95076
Phone Number	(831) 728-8123
Principal	Amy Thomas
Email Address	amy_thomas@pvusd.net
School Website	https://wcsa-pajaro-ca.schoolloop.com/
County-District-School (CDS) Code	44-69799-6119077

2022-23 District Contact Information

District Name	Pajaro Valley Unified School District
Phone Number	(831) 786-2100
Superintendent	Dr. Michelle Rodriguez, Superintendent
Email Address	michelle_rodriguez@pvusd.net
District Website Address	www.pvusd.net

2022-23 School Overview

Principal's Message

Mission: The small school culture of the Watsonville Charter School of the Arts provides a high quality educational alternative for local families. We believe that lifelong learning takes root in a safe school climate that honors individuality, diversity, and respect for differences. Teachers, parents, and students are actively involved in fostering a collaborative community rich in creative, artistic expression, and intellectual curiosity.

Vision: We will develop confident, self-motivated, creative, kind, stewards of our community and planet.

Watsonville Charter School of the Arts (WCSA) was founded in January 2001 and opened that August. This is the 20th year of operation, and there are approximately 400 students in grades K-8. WCSA draws a cross section of students from all over the Pajaro Valley, providing students with a program that is academically challenging, infused with the arts, and personally meaningful. We are proud of our diversity and our commitment to a high-quality arts education. We teach art as a subject as well as integrate it within other subject areas. High-quality teachers are sought who have arts-related degrees, and experience. Teachers who value the depth that the arts bring to the curriculum. In order to deepen the children's experiences in the arts, we have cross grade art electives each week. Teachers of all grades chose a specific arts discipline to teach, such as video production, iMovie creation, theater arts, visual arts, STEAM, music, and storytelling through creative movement. Together, the upper and lower grades weave a focused arts-enriched period with music/dance, theater skills, and various visual arts modalities. Two musicals take place in the spring: one by the Kindergarten through second grades, and a second, full musical production in 3rd - 8th grade at the Mello Center. Additionally, two winter programs are produced, including one at the Mello Center, and a Talent Show is put on in February involving many students. It is WCSA's goal that each child have the opportunity to perform in at least two productions yearly. Speaking, singing and theatrical skills are developed because we want our children to be confident when speaking in public.

Our challenges continue to center around our old facilities that are run down, unsafe, and in poor condition. We are working with the necessary departments to update. We have an active Home and School Club that stays busy with fundraisers throughout the year. Keeping the arts alive in a constricted educational funding scenario is a continuing challenge. A light is shining on our campus by the addition of our 7 replacement portable classrooms, a new shade structure, and a new playground, and a brand new music room! Our future goals include a safer sports field, updated carpets and roofs, and a safe parking lot. Maintaining our aging campus, managing growth without adding any classrooms, is our work for this year, and probably the next.

Our adopted school goals for WCSA in the 2022-2023 school year are: 1. Increase all students' academic achievement through an arts integrated, CCSS and NGSS aligned school curriculum. 2. Improve School Safety, School Climate, and Parent Participation. 3. Reach the needs of ALL learners.

Amy Thomas, PRINCIPAL

2022-23 School Overview

About this School

2021-22 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kindergarten	40
Grade 1	42
Grade 2	44
Grade 3	45
Grade 4	45
Grade 5	47
Grade 6	48
Grade 7	43
Grade 8	39
Total Enrollment	393

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	52.9
Male	47.1
American Indian or Alaska Native	0.3
Asian	0.8
Black or African American	1.0
Filipino	0.0
Hispanic or Latino	71.0
Native Hawaiian or Pacific Islander	0.5
Two or More Races	1.8
White	23.9
English Learners	12.5
Foster Youth	0.3
Homeless	2.5
Migrant	0.0
Socioeconomically Disadvantaged	59.3
Students with Disabilities	8.9

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	15.60	81.76	675.70	75.64	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	12.00	1.35	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	3.50	18.24	129.30	14.48	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0.00	0.00	16.30	1.82	12115.80	4.41
Unknown	0.00	0.00	59.80	6.70	18854.30	6.86
Total Teaching Positions	19.10	100.00	893.30	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	
Misassignments	3.50	
Vacant Positions	0.00	
Total Teachers Without Credentials and Misassignments	3.50	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	
Local Assignment Options	0.00	
Total Out-of-Field Teachers	0.00	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	44.70	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	22.70	

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All students have been provided a Chromebook and if necessary, a hotspot. WCSA is solely responsible for its own textbooks and instructional materials. Teachers collaboratively decide which texts augment the program. The District does not impose its adopted texts on the Charter schools. Charter schools are given more latitude in deciding their curriculum needs.

WCSA has been working to replace some outdated texts with District-adopted texts in order to facilitate a smoother transition for students arriving or leaving the school. Newly adopted curriculum such as Open Up Mathematics for grades 6-8, Eureka Great Minds Mathematics for grades K-5, Amplify Science in grades 6-8, and are piloting two ELA programs for a fall adoption. SIPPS and Reach for Reading is used in grades K-2.

Year and month in which the data were collected

September 2020

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	National Geographic Reach for Reading/2019 and SIPPS in grades K-2, Novel sets in grades 3 to 8, Lexia Core, Lexia Power Up, Units of Study, Amplify CKLA	Yes	0%
Mathematics	Eureka Great Minds Math for K-5 Middle School is piloting Illustrative Math (Open Up Resources)	Yes	0%
Science	Project STEM in grades K-8, Gizmos in Middle School, Amplify	Yes	0%
History-Social Science	Varies by grade, TCI for Middle School	Yes	0
Foreign Language	N/A		0%
Health	Varies by grade	No	0%
Visual and Performing Arts	Varies by grade, Quavered Education	No	0

School Facility Conditions and Planned Improvements

The important purpose of this assessment is to determine if our buildings and grounds are safe and in good repair. If anything needs to be repaired, this assessment identifies it and targets a date by which we commit to make those repairs. The guidelines for this assessment were written by the Office of Public School Construction (OPSC) and were brought about by the Williams legislation. You can look at the six-page Facilities Inspection Tool used for the assessment on the Web site of the OPSC. <http://www.dgs.ca.gov/opsc/Programs/deferredmaintenanceprogram/goodrepairsstandards.aspx>

Year and month of the most recent FIT report

September

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned

Overall Facility Rate			
Exemplary	Good	Fair	Poor
		X	

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	33	N/A	28	N/A	47
Mathematics (grades 3-8 and 11)	N/A	21	N/A	17	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	259	256	98.84	1.16	32.81
Female	137	136	99.27	0.73	33.09
Male	122	120	98.36	1.64	32.50
American Indian or Alaska Native	0	0	0.00	0.00	0.00
Asian	--	--	--	--	--
Black or African American	--	--	--	--	--
Filipino	0	0	0.00	0.00	0.00
Hispanic or Latino	193	191	98.96	1.04	29.84
Native Hawaiian or Pacific Islander	--	--	--	--	--
Two or More Races	--	--	--	--	--

Socioeconomically Disadvantaged	147	146	99.32	0.68	27.40
Students Receiving Migrant Education Services	0	0	0.00	0.00	0.00
Students with Disabilities	26	24	92.31	7.69	12.50

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	259	256	98.84	1.16	20.70
Female	137	136	99.27	0.73	18.38
Male	122	120	98.36	1.64	23.33

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	99%	99%	98%	99%	99%
Grade 7	98%	100%	100%	100%	100%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parent Involvement

Many opportunities exist for parent/guardian involvement at WCSA. Parents assist in classrooms, help in the office, chaperone on field trips, make costumes for productions and performances, and serve on the Leadership Council and Home and School Club. For families who cannot work during the week, there are many onsite needs of our common grounds.

Research shows that parent involvement is an essential component for student success. WCSA families sign a contract stating that they will volunteer a total of 36 hours, or one hour per week, for the benefit of the school. We have a parent arbitration panel to work with families that are chronically low on their volunteer hours, and due to the updates with the covid-19 pandemic, we are very enthusiastic that our parent volunteer campaign will increase now that there are no vaccination requirements anymore.

2021-22 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	405	396	124	31.3
Female	214	209	63	30.1
Male	191	187	61	32.6
American Indian or Alaska Native	1	1	1	100.0
Asian	3	3	2	66.7
Black or African American	4	4	2	50.0
Filipino	0	0	0	0.0
Hispanic or Latino	288	280	80	28.6
Native Hawaiian or Pacific Islander	2	2	1	50.0
Two or More Races	9	8	5	62.5
White	95	95	33	34.7
English Learners	52	52	20	38.5
Foster Youth	1	1	0	0.0
Homeless	13	13	5	38.5
Socioeconomically Disadvantaged	245	242	89	36.8
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	44	44	15	34.1

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.16	3.68	2.45
Expulsions	0.00	0.02	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	0.00	1.73	0.02	4.40	0.20	3.17
Expulsions	0.00	0.00	0.00	0.12	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	1.73	0.00
Female	0.47	0.00
Male	3.14	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	2.08	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	1.05	0.00
English Learners	0.00	0.00

Homeless	7.69	0.00
Socioeconomically Disadvantaged	2.04	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	2.27	0.00

2022-23 School Safety Plan

Safety
Our school's Safety Plan is reviewed by the Leadership Council annually. Staff is kept up with emergency procedures and safety training. Classrooms have emergency packs and buckets filled with emergency supplies, such as potable water and first aid supplies. At least two adults/staff are on duty at noontime. Staff also monitors the playground before school.

We nurture and direct students' values through monthly positive character assemblies and activities. We do our best to recognize each student for the valuable contributions they make to our school community. We teach conflict resolution skills in each classroom. We have a conflict resolution team called "The Watch: there when you need us" that helps younger children solve conflicts at lunch. We have buddy classes and encourage cross age learning. Our school is like a family and visitors can see and feel the difference on our campus.

Visitors must register at the front office and receive an identifying tag. All volunteers must be fingerprinted and TB tested through the district office.

Our closed campus is clean and safe, reflecting pride in our school. We have a diverse afterschool program that provides reading homework centers and support, support for below-grade-level readers, and enrichment classes.

We conduct regular fire, earthquake, and intruder/lockdown drills.

Discipline
WCSA's goal is to use a consistent, clear, positive discipline program in which students have a stake. Misbehavior brings natural consequences that are respectful, related, and timely. Our main discipline tools are an engaging curriculum and a caring staff. Because we are a small school, our children feel like part of an extended family. There are fewer negative behaviors in this context.

We follow the Pajaro Valley school district's four levels of suspension and expulsion. With a parent contract, students, parents, and staff are clear about the expectations of the school. Students can be automatically suspended for physical fighting, threatening or injuring another student or staff member, stealing, or gang like behaviors. We have a school wide policy on bully prevention and education.

WCSA is a PBIS school that believes in positive reinforcement to correct negative behaviors. We believe in reinforcing the positive expectations, such as being respectful, responsible, and safe while on campus and online.

Our school safety plan is reviewed and adopted in the fall of every year.

D. Other SARC Information	Information Required in the SARC
	The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	22		2	
1	22		2	
2	22		2	
3	23		2	
4	26		2	
5	26		2	
6	20	1	10	

2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	20	4		
1	21	1	1	
2	23		4	
3	22		4	
4	25		4	
5	25		4	
6	25		4	

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	20	2		
1	21		2	
2	22		2	
3	23		2	
4	23		2	
5	24		2	
6	24		12	

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$14,744.45	\$489.42	\$9,396.69	\$70,931.47
District	N/A	N/A	\$4,858.33	\$67,516
Percent Difference - School Site and District	N/A	N/A	63.7	4.9
State	N/A	N/A	\$6,594	\$88,358
Percent Difference - School Site and State	N/A	N/A	35.1	-21.9

2021-22 Types of Services Funded

A full-time resource specialist is housed at WCSA. We also have a socio-emotional counselor in full time hired through PVPSA.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/csl/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$46,666	\$54,370
Mid-Range Teacher Salary	\$64,722	\$82,681
Highest Teacher Salary	\$90,640	\$106,610
Average Principal Salary (Elementary)	\$101,669	\$135,283
Average Principal Salary (Middle)	\$107,221	\$141,244
Average Principal Salary (High)	\$117,462	\$152,955
Superintendent Salary	\$222,832	\$264,367
Percent of Budget for Teacher Salaries	26%	33%
Percent of Budget for Administrative Salaries	5%	5%

Professional Development

Staff Development

The primary goals for staff development for the 2022-2023 school year is working with our staff to create, implement, and support the social emotional well-being of our students and families. Our other goals are to create and implement a solid PBIS plan including staff buy in for major/minors and conflict resolution. We have begun a brand new House System in the 2022-2023 school year breaking our school into six micro-communities to allow our whole school to collaborate and gain a sense of belonging.

Our 2022-2023 goals are using the three core actions in English Language Arts & Mathematics. We are asking our teachers to increase the rigor, make sure the students are doing the heavy lifting of the learning, and showing evidence of their learning by referencing multiple texts to support thoughts.

Evaluating and Improving Teachers

All teachers participate in the district's ongoing evaluation process. The foundation for the evaluation system is the Continuum of Teacher Abilities, which is based on the California Standards for the Teaching Profession. The evaluation process involves a self-assessment, three conference cycles, and observations by the evaluating administrator. Both a midyear and a final evaluation are conducted for each teacher.

The teachers at WCSA undergo a rigorous hiring process that goes beyond the district's process. While being hired, teachers must show their expertise in an arts discipline and the State Standards by teaching a demonstration lesson to students in front of a parent-teacher panel.

Substitute Teachers

Our district hires and maintains the substitute pool, which WCSA draws upon. Former and retired teachers can be requested from our site's unique substitute resources.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	24	25	25
