

PAJARO VALLEY UNIFIED SCHOOL DISTRICT
Request for Approval to Conduct Research in Single or Multiple Schools
(For Advanced Degree Purposes)

Study Title:

Applicant:

Research Org:

[Note to researchers: This page will serve as the Project Overview for internal district administrators considering your proposed research study. Please consider their perspective and be succinct, avoid jargon, and focus on addressing their needs.]

ABSTRACT (Max. 800 characters)

ABBREVIATED PROCEDURES: Describe the expectations for personnel who would be involved, especially site staff. Include the number of staff and students impacted, as well as the nature and extent of impact. (Max. 800 characters)

USEFULNESS OF RESEARCH: Describe how you will ensure and document the use, impact, and sustainability of applying the research results to practice. How might the district use the results to shape practice and policy for positive impact? (Use additional page if needed.)
