At a Board Special Meeting, members of the audience can address the Board regarding the specified item on the agenda. Individual speakers will be allowed three minutes (unless otherwise announced by the Board President) to address the Board on each agenda item. **You must submit this card prior to the discussion of the agenda item you wish to speak to; once an item has begun, cards will not be accepted for that item.** For the record, please state your name at the beginning of your statement. The Board may limit the total time for public input on each agenda item to 20 minutes. With Board consent, the President may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The President may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.
